Make a difference in the state of Ohio!

The Ohio Department of Education and the Evaluation Systems group of Pearson are seeking educators who wish to participate in test development activities for the Ohio Assessments for Educators (OAE).

Preschool through grade 12 (PK–12) public and non-public educators and educator preparation faculty involvement is critical to the success of this educator assessment program. Please help us achieve the Ohio Department of Education’s vision of providing a world-class education to Ohio students by getting involved.

Current assessment activities include serving as a member of the Bias Review Committee or on a Content Advisory Committee to review assessment materials. Find out more here.
