4

Introduction

- **Self-Contained ED classroom**

- **Challenges/Previous school year**

- **Teacher/staff feedback**

- **Discussing concerns**

Effective Collaboration

1. **What do you believe effective collaboration looks like in a school?**

2. **In what ways can educators foster collaboration within their school?**

3. **What are some obstacles that educators face regarding effective collaboration?**

Collaboration is key!

- **Establish Collaborative Relationships of Trust and Respect with professionals and students** (Wright, 2019).

- **Empower Educators and Foster Ongoing Collaboration** (Smith & Johnson, 2020).

- **Improve Collaboration Through Shared Knowledge** (Jones, 2018).

- **Create Equitable Outcomes for All Students** (Garcia, 2021).

Scenarios/Workshop

- **Real Educational Challenges**
  - Read through your scenario
  - Determine how you would respond to the given prompts

- **Innovative Collaboration Techniques**
  - Talk with others who have the same scenario and share their ideas/strategies

Ways to Increase Collaboration

- **Maintain an open-door policy** (Miller, 2020)

- **Attend grade level/content meetings** (Davis, 2018)

- **Google forms for feedback** (Brown, 2021)

- **Intentional Communication** (Johnson, 2019)

- **Regular meetings with coach and/or administrator** (Williams & Thompson, 2022)

- **Classroom Visits** (Garcia, 2021)

Final Thoughts

- **Questions or comments?**

Please add at least one takeaway to a post-it and place on the chart paper before you head out.

Thank you for attending!
